

HOW DO I RECEIVE A CORPORATE SCHOLARSHIP FOR MY CHILD?

Parents need to apply for scholarships online through our website at schoolchoicearizona.org. You may also download an application to complete from our website. You may submit it to us by mail, fax, or email (info@schoolchoicearizona.org). The same application is used for all scholarships. Based on the application, the income guidelines, and additional documentation submitted, we will determine which scholarships your student qualifies for.

Low-Income and Disabled/Displaced Corporate Scholarships for the 2023-2024 school year are awarded in June 2023 and January 2024. Applications are available beginning on March 1, 2023, and must be submitted by May 15 to be considered during both award cycles, or by December 31 for the January award cycle only.

School Choice Arizona can only make an award if your student is enrolled at the school named on your application. Applications expire at the end of the school year, regardless of when they are received.

HOW ARE SCHOLARSHIPS AWARDED AND WHAT FACTORS ARE CONSIDERED?

Please keep in mind that, per the tax credit laws, scholarships are not guaranteed. Our Selection Committee considers the financial circumstances of the student's family (*a required factor by state law, which we hold in the strictest confidence*) and the narrative provided by the parents. Every student who has a current application on file, is enrolled, and meets the qualifications for the Corporate Tax Credit Scholarships is considered.

Regardless of our desire to award every student during each Award Cycle, we do not always have the funds available to meet this goal since we are a donation-based organization.

ARE SCHOLARSHIPS AWARDED TO FAMILIES?

Per the Arizona Department of Revenue (ADOR), scholarship awards are only given to individual students. There are no family accounts.

WHAT IF MY STUDENT RECEIVES AN AWARD BUT TRANSFERS TO ANOTHER SCHOOL?

As long as the new school is a private school in Arizona that partners with School Choice Arizona, the unused portion will follow the student. Otherwise, any remaining scholarship amount would be awarded among other students at that school.

MAY A STUDENT RECEIVE FUNDS FROM MORE THAN ONE SCHOOL TUITION ORGANIZATION (STO)?

Yes, we encourage you to apply for any opportunities available. There is no limit on the number of Low-Income Scholarships a student may be awarded. However, with Disabled/Displaced Scholarships, the student may not receive more than the sum of the cap which is determined by the Arizona Department of Education.

IF MY STUDENT RECEIVES FUNDS FROM AN EMPOWERMENT SCHOLARSHIP ACCOUNT (ESA), CAN THEY ALSO RECEIVE A SCHOLARSHIP FROM SCHOOL CHOICE ARIZONA?

The ESA statute (*A.R.S. 15-2402 (B)(3)*) requires that while a parent has a contract with the ESA Program, a student cannot accept ESA and STO money concurrently. If a parent terminates their ESA contract during the school year, there is no conflict if that student receives an STO scholarship for the remainder of the academic year.

IF THE SCHOOL RETURNS CORPORATE FUNDS FOR MY STUDENT FOR ANY REASON DURING THE SCHOOL YEAR, WILL THEY BE HELD IN MY STUDENT'S NAME?

Due to the Corporate limits on both Low-Income and Disabled/Displaced Scholarships, School Choice Arizona cannot hold returned Corporate funds for future school years. Returned Corporate funds will not change any "promised" Corporate awards your student may have for a future school year.

For a student to qualify, they must be enrolled in a private school in grades K-12 (or a preschooler with disabilities). Students must **also** meet one of the following requirements:

HOW ARE CORPORATE SCHOLARSHIPS FUNDED?

Arizona law allows C Corporations and S Corporations to donate up to their state income tax liability for the given tax year. Insurance companies can donate as well from their premium tax liability.

If you know of a corporation interested in helping families have an Educational Choice that best fits their child's individual needs, have them call us at 480.722.7502!

Corporations may identify one or more schools with their tax credit donation, however, they may not recommend specific students per the tax credit law.
