# EDUCATIONAL CHOICE.

Looking to make a charitable gift? You can provide scholarships for students at private schools!

Since 2006, School Choice Arizona has made Private Education affordable for Arizona students. When you donate to School Choice Arizona, we use those funds to award scholarships to students at a private school of your choice.

### Know a particular student who could use tuition assistance?

You may recommend an eligible student (who is not your own child or dependent) when you make your donation! Recommendations made by donors are considered by our Selection Committees and help in the award decision process, but they are not the only factor. The committees also consider the financial circumstances of the student's family (as required by state law) and the narrative about the student provided in the student's Scholarship Application.

School Choice Arizona is a charitable 50l(c)(3), non-profit organization. Please consult your tax advisor regarding Federal deductibility of your donation for your unique tax situation.

Thank you for helping us provide Educational Choice for thousands of Arizona students — we couldn't do it without you!

We believe that every student should have the chance to attend a private school.
