HOW MUCH CAN A CORPORATION DONATE?

C Corps: C Corporations may donate up to their state income tax liability for the given tax year, as long as it does not exceed the entire statewide cap for the year. If a corporation donates more than their tax liability, it can be carried forward for up to five years. (*A.R.S. § 43-1183*)

S Corps: S Corporations may donate up to their state income tax liability for the given tax year, with a minimum donation of \$5,000, and then pass the tax credit on to their shareholders proportionately. If a corporation donates more than their tax liability, it can be carried forward for up to five years. (*A.R.S. § 43-1089.04*)

WHICH CORPORATE TAX CREDITS ARE AVAILABLE?

ARIZONA HAS TWO CORPORATE TUITION TAX CREDITS:

Low-Income (A.R.S. § 43-1183)

Disabled/Displaced (A.R.S. § 43-1184)

Corporations receive a 100% credit against their AZ corporate tax liability for donating toward either of these. The differences between them are the size of the statewide donation caps, as well as which students are eligible to receive the scholarships.

STATEWIDE CAP?

There is a yearly statewide maximum for donations. The statewide cap opens the first week of July each year, and is quickly reached. The Low-Income Corporate cap does increase each year. Visit schoolchoicearizona.org to see the current year's caps, and contact us to see if the cap has been met.

WHO RECEIVES THE SCHOLARSHIPS?

Low-Income Corporate Scholarships are specifically designed to aid students of low to modest income families by helping them afford to switch from a public school to a private school of their choice.

Disabled/Displaced Corporate Scholarships are awarded to students who have been identified as having a disability, or students who currently are or have ever been in the Arizona foster care system.

CAN THE CORPORATION RECOMMEND A SCHOOL OR SCHOOLS?
